

NIAAS Public Star Party Saturday 13 October 2012 Crom Castle, County Fermanagh

It is with great excitement that the NIAAS will be hosting a Public Star Party at Crom Castle, Newtownbutler.

The date scheduled is **Saturday 13th October**, but a back up date has been reserved in case of bad weather.

Being situated in the rural countryside of Fermanagh, the skies around Crom Castle are welcomingly dark.

Sunset will be just after 18.30 hours. Observing will start shortly after that time.

The West Wing of Crom Castle will provide hot drinks and food, which can be purchased on the site.

Crom Castle accommodates for a limited amount of people, therefore booking in advance is advised.

Non-members of the NIAAS can contact Simon for bookings via Private Message on the forum (simon128d)

For directions to Crom Castle, [[click here](#)].

It will be a moonless night and this time of the year is the best opportunity for deep sky observing. We hope it will be a memorable night.
