

It comes with great sadness that we have to announce the death of our friend and colleague **Brian Smyth** who passed away yesterday (Tuesday 2nd April).

Brian was made an honorary member of the society last year for his long service. He was a past treasurer and secretary of the society and his enthusiasm at the meetings will be sorely missed by all.

On behalf of the society committee, members and friends of the NIAAS we would like to offer our thoughts and prayers to Brian's family at this sad time.
