

It is with great sadness that we bring you the news of the passing of our honorary member Andrew Johnston (Shown left in this picture). Andrew was one of the original members of our society, the then EAAS and was a keen astronomer. If you search this site you will come across some articles that he had done for us, he had fantastic knowledge and enthusiasm for the club and was a good friend to many of us. I'm sure you will join us in sending our condolences to his family.
